URGENT:

Dear Cliff Drive Families,

As part of the Provincial Health Officer's requirement for student to return to school, parents must agree to conduct a daily health check before sending your child(ren) to school each day. Parents must go onto Parent Connect for each child to read the "Daily Health Check" form and check the box that you acknowledge your responsibility to complete the daily health checks. This is not optional and must be completed prior to your child(ren) attending School on September 10th. You are only required to do this once in Parent Connect. You are agreeing to conduct daily health checks with your child(ren) before sending them to school, but do NOT send a form to the school each day.

In order to view permission forms, parents will need to log into Parent Connect. The link is included here: PARENT CONNECT (https://cimsweb.deltasd.bc.ca/schoolconnect/parentsignone.aspx)

Once you are at the sign in page, there are links with further instructions to help you log on. (Popups must be allowed on this site to access all information). To access all permission forms, click on the forms button.

Thank you for your prompt attention and support as we all work together to keep our community as safe as we can.
