Track and Field Season

Dear Parents/Guardians,

We are now in the midst of preparing for our Regional Track Meet taking place on Wednesday, May 11, 2022. All grade 4-7 students interested in participating in this year's track and field event will be invited to participate in Running Club starting Wednesday, April 13th at 8:10 am.

All participants are encouraged to take part in these morning practices in preparation for all track and field events. This is a great opportunity for students to improve their overall physical fitness and develop skills as well as have fun with their classmates. Please encourage your child to join us.

Running Club will continue to take place every Wednesday at 8:10 am, RAIN OR SHINE, for all track and field athletes. These practices will begin in the gym – students are to enter the gym via the outside gym doors. Further track and field practices will continue to be held during class time with their teacher.

PARENT HELPERS:

The Regional Track Meet this year is on Wednesday, May 11th. Helpers are welcome and hopefully we can find something that will fit into your schedule. Please email us directly if you are able to volunteer any time at tstecskillings@deltaschools.ca and pklassen@deltaschools.ca.

Let's hope for a sunny and dry track season!

Your truly,

P. Klassen
Principal

T. Stec Skillings
Vice-Principal
