TSAWWASSEN FIRST NATION

April 3rd marks the 15th Anniversary of the First Urban Treaty in BC. The Tsawwassen First Nation Final agreement (the Treaty) is a tripartite agreement between Canada, British Columbia, and the Tsawwassen First Nation. It is a comprehensive agreement that provides for the transfer of land and self-government jurisdiction to Tsawwassen First Nation (TFN.) This is a major shift in the relationship between Tsawwassen First Nations, Canada and British Columbia, and various tools that allows TFN to succeed as a self-governing First Nation. The treaty was effective on April 3, 2009. Tsawwassen First Nation was the first in BC to achieve a treaty under the BC treaty process.

At present 65% of our student reports have been viewed online. If you are one of the parents who has not been able to do so please let me know your reasons.

### Concours - a French public speaking contest

Each year, the B.C. & Yukon chapter of Canadian Parents for French organizes Concours, a French public speaking contest. After presenting in class, participants are chosen to compete at the district level for a chance to win and move on to the provincial competition. We are proud to have Isabelle Hulyd and Ryder Lloyd, two grade 7 Late French Immersion students, representing Cliff Drive this year at the district level. Bravo!
