Parent-Teacher Interviews

Cliff Drive

École Élémentaire | Elementary School

As well as starting the school year September has many special days.

It was a pleasure to have a good turn out for the annual **PAC BBQ** and **Cliff Drive Open House**. We celebrate a national hero with our **Terry Fox Run** and continue on a journey of reflection and action with our T**ruth and Reconciliation Walk.**

As the month winds down we are entering our 5th week of school. Your children will have been making new friends and learning the classroom expectations. Please continue to reach out to your child's classroom teacher to share your understanding of your child and build the teamwork that will support their learning this year.

Portable

The walkways were laid around the portable last week. A few more construction pieces to be completed and we are hoping hand it over to Mr. Lee for his music classes (presently happening in the gym.)

Parent Teacher interviews

Parent-Teacher Interviews

I look forward to see most of you in the school on October 21 or October 22. You will receive an email with instructions for booking your parent teacher interview through Parent Connect If you are having difficulties please call the school for assistance. I hope you will be able to take the time to build this important connection with your child's teacher.

Spookfest

Reserve **October 17** for costumes, fun and games for the Cliff Drive's annual Spookfest. This year's theme is the Dia de los Muertos at Cliff Drive. If you have any questions or are looking for further information please contact the PAC.

cliffdrivepac@gmail.com

Winter Concert

This year the school will have **two matinee performances** in addition to a dress rehearsal that will enable all the students to see the performance. Each matinee can hold 400 audience members.

December 10th @ 1:30 PM

December 12th @ 1:30 PM.

Staffing

With support from the district we have been successful securing additional staffing. We have hired teachers for the new Gr. 5/6 division as well as our LST Team. I have one part-time position that we are optimistic will be filled this week.

We also received four additional EA positions. One was filled and the other postings closed on Friday. These jobs are till June providing ongoing support.

Drop off - Pick up

A big thank you to all the families that have arranged to bring their children to school safely while respecting that our parking lot is closed to traffic between 8:00 - 9:30 am and from 2:30 - 4:30 pm.

You may continue to see a few cars entering the school parking lot as arrangements have been made to support specific children. Also the Daycares drops off and pick up on school property as required by their licensing.
